

Jewelry Classes

Beginner's Jewelry Class

In the beginner's beading class, you will be able to make and take home a single strand necklace, a pair of earrings, and an instruction hand-out. There are many kits to choose from, and the kits can be enhanced with any loose beads, also available. You will learn about stringing materials, tools and how to use them, design techniques, and how to attach a clasp. You will also learn how to make a pair of earrings. This class is two to two and a half hours and is relaxing and fun!

\$25 class fee- includes kit and instructions. There are beads and hardware for sale if you want to add to your stash at home.

Intermediate Jewelry class

In the intermediate class, you can learn these following methods using a mixture of beads of your own: Kumihimo, Kat's Abstract double and triple strand, Wall hangings made with your handmade beads (clay or paper). Please call me to get the supply list and refer to these suppliers for your Kumihimo beads and tools. **They must be purchased and brought to class:** Fire Mountain Gems.com and Beadalon.com.
